

QUALITY POLICY STATEMENT

(For CGPOL 001 Quality Policy)

Cordwell's Group is committed to delivering consistent, safe, compliant, and high-quality products and services across all business units. We set the highest industry benchmark in our products, customer satisfaction, and reputation.

We maintain a robust and continually improving Integrated Management System (IMS) aligned with ISO 9001, ISO 45001, ISO 14001, the Fair Work Act 2009, WHS Act 2011 (Qld), Mining and Quarrying Safety and Health legislation, and all applicable Queensland regulatory obligations. Our systems ensure that customer, regulatory, and stakeholder requirements are met in a timely, cost-effective, and professional manner.

Cordwell's Group is committed to preventing non-conforming product, maintaining accurate records, and ensuring all staff understand their responsibilities through training, supervision, and competency development. We uphold quality, safety, and environmental responsibility in all operations, recognising that these elements are inseparable from our commitment to excellence.

Through leadership, accountability, and continuous improvement, we ensure our products and services consistently meet industry standards and customer expectations.
